

It's too ezy!

Company Profile Ezy Homes

ABN: 37 571 717 674
Ezy Homes (Australia) Pty Ltd
A/T/F:- Ezy Homes Unit Trust

Ezy Homes (Australia) Pty Ltd has been successfully involved in the supply & erection of steel pole kit homes since 2000.

Ezy Homes is a family owned business with over 50 years experience in design, drafting, consulting, building, R&D, and construction management.

The Company's Head Office is located at 54 York Street, Beenleigh, Queensland. Ezy Homes also have an office at 38 Waterloo Street, Glenelg, South Australia. Approximately 25 staff is employed by Ezy Homes Australia wide.

Ezy Homes specialise in designing steel pole homes that suit a wide range of sites. Our unique design means that the steel components can be manufactured Australia wide, allowing the steel pole home kit to be shipped quickly and economically to virtually any location.

The steel frame is pre-engineered, factory cut and drilled - it simply bolts together. We offer our homes in a kit form, which is easily erected by the home handyman or we can utilise our network of contractors to do some, or all of the construction work for you.

Ezy Homes is flexible in design, allowing you to modify our basic plans to suit your personal requirements. In fact, no two Ezy Homes are ever exactly the same.

Ezy Homes is large enough to meet the demands of major projects and small enough to provide you with personal attention - you talk directly to our decision makers.

Ezy Homes is privately owned and proudly 100% Australian and we strive to supply quality housing at an affordable price

At Ezy Homes we pride ourselves on the quality of our homes and our use of Australian components. We apply the ingenuity of building techniques used in the commercial construction industry to our residential homes to create an open plan living with endless possibilities ready for you to add your personal touch.
